PARADE MONEY
NOW COMING IN

Upwards of one hundred responses to
the finance committee's request for Flo-
ral Parade funds has been received by
Chairman Galt. Several hundred more
are wanted, without delay. All should
be in by the middle of this week. The
average of the contributions so far is
satisfactory and if it keeps up there
will easily be enough money for the ex-
penses of the show.

It is urged on behalf of the finance
committee that holders of letters and
cards act without delay, in order that
there may be no interruption in ar-
rangements. It is requested that
whether any money is given or not a
reply be made for checking purposes.

Several more tourists, to which el-
ement the parade managers are largely
entering, are making contributions to
help out on the day. These well-dis-
posed visitors call on Mr. Galt at the
office of the Hawaiian Trust Company.

A purse of liberal size has been re-
